LMA GIVES STAFF THE 'EDGE':

Sunnyfield's objective of developing the personal and leadership skills of key employees was easily achieved with LMA's accredited TPE program.

Caroline says, "The program has developed staff to

improve their own performance and rise to take on more responsibility and accountability. It has opened horizons for those who attended and it has enabled them to focus on changing individual behaviour as well as the organisation of their team."

AN EFFECTIVE TRAINING SOLUTION:

"LMA programs are applicable to all staff no matter the personality type, as long as the person has the ability to be self aware and self evaluate," says Caroline.

Since 2009, the TPE program has been undertaken by 26 employees of Sunnyfield and the MHP program by 10 employees.
