

EFFECTIVE PERSONAL LEADERSHIP

Realise your own personal potential now.

THE OUTCOMES

The organisation of the future is an organisation where everyone is a leader.

It is only when people are able to lead themselves that they are actually empowered to be creative and innovative as well as to achieve the highest level of personal performance and achievement.

A leader's personal motivation, emotional intelligence and self-image are key to how they perform, respond and lead.

The Effective Personal Leadership course from Leadership Management Australia (LMA) builds on existing strengths and focuses on the required attitude and behavioural changes needed to cope with the pace and fast-changing nature of modern life and business.

LMA's Effective Personal Leadership course helps participants:

- Develop clarity, vision and purpose.
- Define their personal values and goals.
- Understand and implement actions to strengthen attitudes and behaviours.
- Develop and implement an Action Plan for their life.
- Strengthen Emotional Intelligence.
- Become strong leaders, mentors and coaches.
- Take charge of their own personal development.
- Increase personal and team productivity.
- Create a culture of inspiration and motivation.
- Have a greater impact on their organisation's future.
- Achieve their full potential.

Awarding of Course Completion Certificates

**Empowered people.
Better results.**

THE UNIQUE LMA PROCESS

LMA's unique development process focusses on helping people change their attitudes and behaviours so that they achieve measurably greater results in all areas of life.

TO ENSURE THAT THESE MEASURABLE RESULTS ARE ACHIEVED:

- Specific personal and organisational goals are established in consultation with participants and, when appropriate, their managers.
- Individual support from the LMA Facilitator/Coach guides the participant in the practical application of the learnings towards the achievement of their personal and organisational goals.
- Comprehensive resource materials including Manuals, Audio files and Plans of Action are provided to the participant. This enables multi-sensory learning and easy review.
- 12 Interactive Modules are facilitated in convenient weekly/fortnightly workshops.
- Each workshop focusses on the practical application of learnings and the specific action steps required to achieve measurable results.
- Participants work with LMA's Facilitator/Coach to track and measure progress towards their personal and organisational goals.
- Participants benefit from the collective life and work experiences of the group.

**There is a wonderful tool.
Without it there would be no wheel,
no trips to the moon and no internet.
Chances are you use one or more in your organisation.
Keep it sharp and your business will prosper.
Neglect it at your risk.
People.**
