FROM 'GREEN' TO 'MEAN' SALES PROFESSIONAL

"Starting off very 'green' in sales, I was very keen to learn and develop both as a person and a professional sales representative. Through the assistance of this course, I have conquered many uphill battles and developed many new and key accounts."

Jason Harrison, Hardy Spicer.

MORE SUCCESSFUL THANKS TO LMA

"I got a lot more out of this course than I first thought I would, I was ready to quit after a few weeks but glad I didn't. I now understand what it takes to be a successful sales person and to be more successful in all areas of my life. Thank you."

Nathan Kirkland, Titan Wheels Australia.

GROWING IN CONFIDENCE

"To me each session was totally enjoyable and I left each time feeling ready to take on the world; full of confidence. When I began the course I set goals to meet with many of my customers, and I achieved this - which in turn has generated sales for me."

Trevor Kuchel, Otis Elevator Company.

MORE TIME TO GET SALES

"I have put in place my two main goals and I have won business that I never had the time to attain. My attitude in the sales area has changed, this has to be a benefit to both myself and my company."

Nick Corkindale, Steelplus / Wireplus.

COLLABORATION WITH LIKE-MINDED SALES PROFESSIONALS

"One of the aspects I most enjoyed was being able to share experiences and sales techniques with like-minded professionals. Overall, I feel that I have developed my sales edge to a great extent and have become a more confident

and better prepared sales professional as a result."

Pietro Cosenza, Röhlig Australia.

"The workshop environment offers a priceless insight into how others operate in their business environments. The experience and knowledge that comes from having such a diverse array of business people in each workshop is like having access to the latest and greatest set of encyclopedias to draw from."

Stephen Anthony, Canberra Racing Club (Thoroughbred Park).

HPA'S ASSIST WITH TIME MANAGEMENT

"During the course I was able to bring on 8 new customers with about 6 prospects I'm hoping to convert - by focusing on the principles in the LMA course. I was able to identify

deficiencies in my time analysis and refine them accordingly, to focus more on my High Payoff Activities."

Gregory Spice, Ticket Manufacturers Australia.

"My business win-win goal was to achieve \$500k in sales revenue in 6 months. Not only was this achieved through the help of LMA, we doubled sales from last year over the same months."
